ACCESS PERMIT

NOTICE: This permit is issued in accordance with Title 19, Section 1111, VSA relative to all highways within the control and jurisdiction of the Town of Derby. The issuance of this permit does not release the applicant from any requirements imposed by other government agencies. Permit is effective for as long as the current land use continues, any change in the current land use requires a new permit. This permit is issued subject to the directions, restrictions and conditions contained herein and only the work described in the application and permit is performed as directed. Violations are subject to the penalties set forth in Title 19, Section 1111, VSA of fines not less than \$100 for each violation nor more than \$10,000 for each violation.
